

Age IQ™ Night Cream

WHAT IS IT?

Powered by breakthroughs that harness the best of science and nature, Age IQ™ Night Cream is a next-generation, advanced age-fighting product designed to help revitalise and regulate your skin, so you wake to a younger, healthier-looking reflection. Formulated with our proprietary TC3-Armor™ blend, patented SIG-1273® molecule, and exclusive SAL-14™ blend, it works to address existing and future signs of ageing, resulting in younger-looking skin.

WHAT DOES IT DO?

- Age IQ™ Night Cream contains ingredients that:
 - Transform tired-looking skin
 - Help reduce the appearance of wrinkles
 - Help instantly tighten and firm skin's appearance
 - Address existing and future signs of ageing
 - Work to remove skin-drying urban stressors accumulated during the day
 - Improve skin clarity and radiance, and provide smoother skin texture
- **Gently adheres to skin**, helping ensure maximum delivery of key ingredients
- **Also fights the appearance of:** Discolouration • Enlarged pores • Sagging skin
- **Perfect for use on:** Face • Neck • Décolletage • Hands
- **Ideal for all skin types:** Non-comedogenic • Dermatologist tested

WHAT'S IN IT?

Key Ingredient	Function
TC3-Armor	An exclusive blend of trehalose, xylitol, glycerin and chia seed extract that helps remove skin-drying urban stressors accumulated during the day while acting as a shield from environmental impurities.
SIG-1273	A patented, exclusive dual-action molecule that acts as an antioxidant and skin protectant and helps boost the skin's ability to combat the oxidative stress that can lead to fine lines and wrinkles.
SAL-14	An exclusive blend that features the antioxidant bidens pilosa and mauritia flexuosa fruit oil to help address the appearance of discolouration and other signs of ageing.
Paeonia albiflora root extract	Helps restore the appearance of plumper-looking skin.
Sodium hyaluronate	Naturally present in the skin, it binds water to the skin for volume and firmness.
Aloe barbadensis leaf water	Highly emollient and a well-known source of moisture and hydration.
Peptide blend	Helps smooth the look of existing fine lines and wrinkles.
Olus oil	Moisturises the skin and acts as a barrier to moisture loss.

IN INDEPENDENTLY CONDUCTED CLINICAL TRIALS:

- 100% of participants had significantly smoother skin texture.
- 97% of participants had significantly healthier-looking skin.
- 94% of participants had significantly improved skin clarity and brightness.
- 91% of participants had significantly improved skin firmness and elasticity.
- 86% of participants had significantly improved skin appearance.
- 81% of participants had significantly reduced appearance of wrinkles in the eye area.
- 78% of participants had significantly improved appearance of hyperpigmentation.
- 78% of participants experienced significantly improved moisturisation at four weeks.

WHAT'S NOT IN IT?

Parabens, synthetic colourants, synthetic fragrance, propylene glycol.

WHEN AND HOW DO I USE IT?

- Age IQ™ Night Cream is designed for application at night, when skin is in its rest-and-repair cycle.
- After cleansing skin thoroughly, apply 2 - 4 pumps of product to face and neck. Rinse skin the morning following usage. (Tip: For added hydration, add water to your face before applying the product.)
- For optimal results, use with our Age IQ™ Day Cream.

PRODUCT FEATURES:

- This multifunctional product is **perfect for women and men of any age**. It treats **multiple signs of ageing** in a single step, **removes skin-drying urban stressors**, and offers visible results that continue to **improve over time**.
- Age IQ™ Night Cream's **mask-like consistency** ensures it **won't rub off** the minute your head hits the pillow. It stays in place, working overnight, while **creating a barrier** that guards against lines caused by sheets and pillowcases.
- Net weight: 30 mL/1 fl. oz.

Ingredients: Water, PVP, HDI/Trimethylol Hexyllactone Crosspolymer Alcohol Denat., Glycerin, Pentylene Glycol, Aloe Barbadensis Leaf Water, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Ethylhexyl Palmitate, Disodium Tetramethylhexadecenyl Succinyl Cysteine* Paeonia Albiflora Root Extract, Mauritia Flexuosa Fruit Oil, Centella Asiatica Extract, Camellia Sinensis Leaf Extract, Sodium Hyaluronate, Tocopherol, Tocopheryl Acetate, Adenosine, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Bidens Pilosa Extract, Salvia Hispanica (Chia) Seed Extract, Trehalose, Glycyrrhiza Glabra (Licorice) Root Extract, Pullulan, Elaeis Guineensis (Palm) Oil, Gossypium Herbaceum (Cotton) Seed Oil, Linum Usitatissimum (Linseed) Seed Oil, Silica, Sorbitol, Galactoarabinan, Copernicia Cerifera (Carnauba) Wax, Ethylhexylglycerin, Polyglyceryl-3 Methylglucose Distearate, Butylene Glycol, Polysorbate 20, Sodium Phosphate, Carbomer, Disodium EDTA, 1,2-Hexanediol, Potassium Sorbate, Benzyl Alcohol, Cyclopentasiloxane, Caprylic/Capric Triglyceride, Polysorbate 60, Tromethamine, Cyclohexasiloxane, Caprylyl Glycol, Phenoxyethanol, Xylitol.
