

Prolistic™

Skin-Balancing Lotion with Probiotic Technology

WHAT IS IT?

As you age, your skin can begin to experience issues with its barrier function, leaving it more vulnerable to dryness and water loss. Nerium's Prolistic Lotion uses a proprietary prebiotic and probiotic lysate blend that helps soothe and support the skin's natural, healthy state. Prolistic Lotion uses key ingredients to help fortify the skin's barrier function and is pH-balanced to help maintain the acid mantle of the skin.

WHAT DOES IT DO?

- Prolistic Lotion features ProRenew Plus and other ingredients that:
 - Improve skin cell renewal
 - Protect the skin's barrier
 - Support natural exfoliation
 - Help maintain skin health
 - Deliver immediate and long-term moisturisation
- **Ideal for all skin types:** Dermatologist tested

WHAT'S IN IT?

Key Ingredient	Function
ProRenew Plus	An exclusive blend of the probiotic lactococcus ferment lysate and prebiotic fructooligosaccharides, which supports a healthy skin microbiome and improves skin cell renewal, barrier function and natural exfoliation.
Moisturising Complex*	A blend of super-hydrating ingredients that work to increase moisturisation and deliver 24- to 48-hour hydration.
Soothing aromatic extract blend	Offers a clean, refreshing, non-synthetic aroma to soothe and revitalise your senses.

WHAT'S NOT IN IT?

Parabens, colourants, DEA, propylene glycol, synthetic fragrance.

WHEN AND HOW DO I USE IT?

- Pump into your palm and apply generously over entire body.
- May be used at any time of the day – whenever you need a boost of moisturisation.
- When using with Firming Body Contour Cream, first massage Firm into each targeted area, then layer Prolistic Lotion over it.
