

# Age IQ™ Day Cream

## WHAT IS IT?

Age IQ™ Day Cream combines natural, proven ingredients with innovative breakthroughs, like our exclusive, patented SIG-1273® and proprietary SAL-14™, to target the environmental factors that can lead to signs of ageing. This sheer, lightweight, clinically tested formula was specifically created for daytime use, making it the perfect complement to Age IQ™ Night Cream.

## WHAT DOES IT DO?

- Age IQ™ Day Cream, featuring our proprietary SIG-1273 and SAL-14 ingredients:
  - Addresses the signs of ageing
  - Acts as a powerful antioxidant to help maintain healthy-looking skin
  - Boosts the natural cell renewal process to reveal younger-looking skin
  - Mimics the skin's natural properties to diminish the signs of ageing
  - Binds moisture to skin for long-lasting, lightweight hydration
- **Fights the appearance of:** Fine lines • Wrinkles • Discolouration • Uneven skin texture • Enlarged pores • Sagging skin
- **Perfect for use on:** Face • Neck • Décolletage • Hands
- **Ideal for all skin types:** Dermatologist tested

## WHAT'S IN IT?

Key Ingredient	Function
SIG-1273	A patented, exclusive dual-action molecule that acts as an antioxidant and skin protectant and helps boost the skin's ability to combat the oxidative stress that can lead to fine lines and wrinkles.
SAL-14	An exclusive blend that features the antioxidant bidens pilosa and mauritia flexuosa fruit oil to help address the appearance of discolouration and other signs of ageing.
Aloe barbadensis leaf water	It's highly emollient and a well-known source of moisture and hydration.
Centella asiatica	Aids the appearance of toning and tightening.
Peptide blend	Helps smooth the look of existing wrinkles.
Adenosine	Helps fight the appearance of fine lines and wrinkles.
CoQ10 (Ubiquinone)	An antioxidant that supports healthy skin structure.
Joboba esters	Lightweight, natural moisturiser for long-lasting hydration.
Sodium hyaluronate	Naturally present in the skin; binds water to skin for volume and firmness.
Vitamin C (tetrahexyldecyl ascorbate)	A vitamin known for its skin-brightening properties.
Castor seed oil	A naturally hydrating oil that softens the skin.
Green tea	A well-known antioxidant that guards against skin-drying environmental damage.

## IN INDEPENDENTLY CONDUCTED CLINICAL TRIALS:

- 94% showed a reduction in the appearance of fine lines on the face.
- 88% showed improvement in overall brightness of complexion.
- 88% showed an improvement in moisturisation with continued use.
- 84% showed a reduction in the appearance of wrinkles on the face.
- 78% showed a reduction in the appearance of pore size.

## WHEN AND HOW DO I USE IT?

After cleansing skin, apply four pumps to face and neck. Use once each morning. Product may be applied throughout the day and to other body areas as a moisturiser.

## WHAT'S NOT IN IT?

Parabens, colourants, DEA, propylene glycol, synthetic fragrance.

## PRODUCT FEATURES:

- Use the Day Cream in conjunction with the Age IQ™ Night Cream for a **24-hour system to fight the signs of ageing.**
- This product is a lightweight formula crafted with non-oily oils.
- The sheer texture makes it perfect for women to wear under their makeup and for men to wear because it won't show on their skin. **It can be placed onto the skin without leaving any noticeable residue.**
- Net weight: 30 mL/1 fl. oz.
