

Returns & Cancellation Policy

RETAIL CUSTOMERS AND PREFERRED CUSTOMERS

Nerium International™ is sure you will be happy with your order. However, if for any reason you wish to return your product, we gladly offer a 30-day, money-back satisfaction guarantee to all Retail and Preferred Customers that have registered in Nerium International. If a Retail or Preferred Customer is dissatisfied with any product for any reason, as long as the product was purchased directly from Nerium International and unopened, you may return the item in its original packaging, along with the original invoice, to Nerium International within 30 days of the purchase for a full refund of the purchase price minus applicable shipping and handling fees. The Customer is responsible for the cost of return freight. Non-accepted delivery charges will be debited to the Customer's account for refusing product.

If the product was purchased directly from an Independent Brand Partner, please contact them for a refund. They offer a money-back satisfaction guarantee to all retail customers within 7 days of purchase. You will need to return the product and original invoice to the Brand Partner, who will refund the product purchase price. The Brand Partner will then return the product to Nerium International for a replacement product.

If the product was purchased from a Brand Partner website, please contact the Nerium International Support Department. In order to facilitate the return process, the Retail or Preferred Customer is required to contact Nerium International to obtain a Return Merchandise Authorisation (RMA) Number. This number must be written on the outside of the shipping box. If a package is returned without an RMA Number, the refund may be delayed or refused.

For additional information or assistance in processing a return, please contact the Brand Partner from whom the product was originally purchased, or the Nerium International Support Department at support.sg@nerium.com or +65 3158 3050.

BRAND PARTNERS

A Brand Partner who terminates his or her business relationship with the company has the right to return products prior to the date of termination for repurchase on commercially reasonable terms currently marketable inventory. The product must be the single products and specific packages (except promotional packages, promotional materials, sales aids) purchased directly from Nerium in new, resalable condition. For purposes hereof, "reasonable commercial terms" shall mean the repurchase of marketable inventory within sixty (60) days from the date of purchase at not less than 90% of the Brand Partner's original net cost less applicable shipping and handling fees, the commissions and bonuses paid to the Brand Partner, appropriate set-offs and legal claims, if any. Original shipping costs are not refundable and the Brand Partner is responsible for the cost of return freight. Any commissions, overrides, and/or bonuses paid to the Brand Partner will be deducted from the refund. In addition, for purposes of this section, products shall not be considered "currently marketable" if returned for repurchase after the product's commercially reasonable, usable, or shelf-life period has passed (shelf life will be deemed to have passed if the product package has been opened); nor shall products be considered "currently marketable" if the company clearly discloses to Brand Partner prior to purchase that the products are seasonal, discontinued, or special promotional products and are not subject to the repurchase obligation. The company will not issue a refund for, nor replace, any product previously certified as having been sold under the 70% Rule. No refunds will be issued unless a Brand Partner is in strict compliance with the published refund policy that is part of the Nerium International Policies and Procedures Manual. Non-accepted delivery charges will be debited to the Brand Partner's account for refusing product.

RETURN PROCEDURE

If the product was purchased directly from a Nerium International Brand Partner, please contact him or her directly for a refund. You will need to return the product and original invoice to the Brand Partner, who will refund the product purchase price. If the product was purchased from a Nerium International Brand Partner website, you must contact Nerium International by ticket at support.sg@nerium.com or by phone at +65 3158 3050 to obtain a Return Merchandise Authorisation (RMA) Number. An RMA Number is valid for ten (10) business days.

The RMA Number must be written on the outside of the return shipping box and a completed Return Authorisation form must be included in the return package. A refund will be processed within 7 business days following the receipt of an authorised return. All refunds will be in Singapore Dollars. If a package is returned without an RMA, the refund may be refused or delayed.

Returns will not be authorised due to an Auto-Delivery Order not being cancelled in time. For additional information or assistance in processing a return, please contact the Brand Partner from whom the product was originally purchased, or the Nerium International Support Department at support.sg@nerium.com or by phone at +65 3158 3050.
