

NERIUM INTERNATIONAL IS COMING TO CANADA! OUR PRE-LAUNCH PROCESS HAS BEGUN!

Nerium has set numerous records in the United States and will soon begin its international expansion... Starting with Canada! We will soon be open for business and unveiling our new international product line in the provinces of Ontario and British Columbia, with other provinces to follow in the near future.

Nerium's achievements include:

- **Being the youngest company to ever make the Global 100 List from *Direct Selling News*.**
- **Having one of the most successful product launches in history, hitting \$100 million in sales in first full year of business.**
- **Being awarded the Bravo Award for Growth from *Direct Selling News*.**
- **Being the youngest company ever featured in *Success from Home* magazine, and being featured three times within three years.**

You can be a part of our pre-application process, which allows you to begin putting your team together in approved Canadian provinces. That way, you will be ready to go when we officially launch in the second quarter of 2014!

For \$10 USD, you will receive a website and an Online Business Center to start building your team.

Join the Nerium International family today!

No sales of Nerium International products or commissions can be generated during this pre-application period.
