

# Fast Start Plan

The first step to launching a successful Nerium business is to Fast Start Qualify. Please use the following steps to jumpstart your own personal Nerium success story!

## 1. Find Your "Why"

What motivates you to passionately pursue your best life? Is it extra time with family? Extra income to pursue your hobbies? The hope of having a new car or sending your kids to the best schools? Take a few moments to define your "why" – be as specific as possible. Getting in touch with your "why" helps you stay focused and allows you to turn your dreams into reality!

## 4. Master the Exposure Process

The best way to share Nerium is to share the products and third-party tools with your friends, family, and acquaintances. Leverage these resources and your support team to help build your business!

## 5. Build Your List

Your biggest asset is the people you know with whom you can share the Nerium message. Start building your list right away - use the boxes to decide what the best method for exposing them to Nerium is, and then check complete when you've made contact.
